

12 August 1958

MEMORANDUM FOR THE RECORD:

The Director authorized [redacted]

STATINTL

STATINTL

[redacted] to discuss in general his most recent assignment with the Agency, to include how National Intelligence Estimates are prepared, coordinated and approved. The Director told [redacted] there would be no objection to discussing the procedure followed when there are dissents. It was made clear, however, that actual contents and sources of estimates would not be discussed nor revealed.

STATINTL

STATINTL

[redacted] indicated that in all probability he would be working with "foreigners" and intended to have "security checks run on these people."
